

THRIVENT® Faith Build

Non Construction Volunteer Opportunities

- Have volunteers provide lunch for the construction crew
- Have a volunteer act as your communications person and come out to photograph
- Review the engagement sheet and see if a group at your church would like to participate

Non Construction Volunteer Opportunities- ReStore

The ReStore is a large building materials store (think of a Home Depot with furniture). We receive new and used items from businesses and individuals. We then sell these items to the public to generate funds to build/ rehab homes for families. The store is open to the public Tuesday- Saturday.

The ReStore offers affordable home improvement items to the public. The ReStore also acts as a wonderful nexus bringing together people of all backgrounds, ages and abilities.

ReStore West Address: 2110 W. 110th Street * Cleveland, OH 44102

ReStore East Address: 4601 Northfield Road * North Randall, OH 44128

Ages: 16 and older

Typical Days Available: Tuesday- Saturday

Size: We can easily accommodate 8 people. We are happy to discuss larger group sizes.

Type of work: Work may include pricing, sorting, merchandising, and processing donation.

Typical ReStore Day: 9:00am-4:00pm, 9:00am-1pm or 12:00pm-4:00pm

The shift should be decided when your volunteer day is booked.

Contact Kpride@clevelandhabitat.org to receive the latest info.

Off Site Engagement Opportunities

- Place a 2x4 in your gathering area and have the congregation sign it and write prayers. We will include this two by four symbolically in the construction of a home.
- Have all ages sign or write a prayer on a strip of construction paper that can be made into a chain. This can be used at the home dedication ceremony.
- Have a group make and bring lunches to the construction volunteers.
- Make a set of bookends or bookshelves.
- Bake cookies. Habitat is always happy to receive baked goods in freezer bags. We then use the delicious treats at house dedications and to bring out to volunteer teams.
- Collect items and create a toolbox for a family. (Toolbox list provided on request.)
- Collect items to make welcome home baskets for families. (Welcome basket list provided on request.)
- Collect new and gently used tools.
- Collect books. Every Habitat house comes with a small library.
- Make blankets.
- Consider using Habitat as a theme with your vacation bible school or other programs.
- Have people fundraise.
- Arrange prayer partners.
- Organize an onsite Habitat talk or tour with a Habitat staff member (schedule in advance).
- Invite a Habitat staff member to your church to share about our programs.

Please Note

Habitat celebrates all our families at their home dedications. Some families are not blessed to have a specific house sponsor. Thus, we ask that collections of items and donations come to Habitat first, so that we can share them appropriately with all our new Habitat homeowners.
