

# Silly Walk Ideas

# Can you walk like a...

**We are going on a walk today to support Habitat for Humanity!  
Habitat connects Cleveland families to safe and affordable homes.**

## Activity Suggestion:

Pick one person to be the Silly Walk Conductor. They will shout an idea for the group to follow.

Start walking as a group for 5 minutes or so and alternate between walking like you usually do and silly walk for 30 seconds.

Take pics, videos and share with your friends by tagging @CLEHabitat on social media or by entering our Silly Walk Contest (info on clehabitatwalk.org).
