

# Ways To Get Involved!

## **Fill the Truck- Community Pick Up Event**

Come together with your team and host a community Fill the Truck event. Greater Cleveland Habitat ReStore will bring a box truck for you to fill with donated items to sell in our ReStore. The Fill the Truck event can be held in a location of your choosing (like your parking lot). This is a great opportunity for your staff to clean out their garages and donate unwanted and unused tools, building materials and furniture to a great cause!

Advertising, arranging a location, and loading the truck will be done by your team. A representative of Habitat for Humanity will be on site to share volunteer opportunities, resources, and information about other Habitat programs within the community.

## **ReStore**

Often, people think of construction when they think of volunteer opportunities with Habitat. However, we have many different and unique opportunities- the ReStore being one of them. Part discount home improvement store, part thrift store and part home store, Greater Cleveland Habitat for Humanity's ReStore has something for everyone. ReStore carries a wide selection of items including appliances, tools, lighting, building supplies, cabinets, home décor, seasonal items, furniture and so much more!

Group volunteer opportunities are scheduled in 4-hour shifts at our **Cleveland ReStore** on Wednesdays and Fridays. Volunteer tasks may include pricing, sorting, merchandising, and processing donations.

## **Walk.Run.Mosey**

Volunteer at our annual Walk.Run.Mosey 5k at Edgewater Park! Every summer we gather to drink coffee, eat a donut, and take a stroll in the park. It is the ultimate way to celebrate affordable homeownership together!!

## **Gift Baskets**

"Welcome home." Two words Habitat homeowners work so hard to hear. Every family receives a toolbox and welcome basket when they move into their newly purchased home. If you would like to help welcome our families to their new homes, make a purchase in honor of a new homeowner today. Here are some ideas.
