

Building Stronger Neighborhoods, One Street at a Time

Greater Cleveland Habitat for Humanity has been active in the Buckeye and Mount Pleasant neighborhoods since 2016. Rather than spreading efforts across scattered sites, Habitat focuses on concentrated areas to create deeper, more lasting impact. Working in concert with residents, local nonprofits, and companies, Habitat helps drive neighborhood revitalization.

In 2025, we began work on Elwell Avenue — our Pope Leo Village. This street already includes four Habitat families in homes we previously rehabbed, and now we're adding 15 new homes. The project is part of the City of Cleveland's Modular Home Pilot, with six of the ten stick-built homes underway, three modular builds, and three using a panelized system.

Creative Ways to Engage

Sign a 2x4

Invite your congregation to write prayers or messages of hope that will be built into a new home.

Prayer Chain

Write wishes and blessings on paper strips to be displayed at a dedication ceremony.

Bake or Bring Lunch

Provide meals or treats for volunteers at construction sites (Wednesdays, Thursdays, or Saturdays).

Host a Fundraiser

Organize a simple event — bake sale, car wash, or concert — to raise funds for building materials.

Invite a Habitat Talk

Schedule a visit from our team to share the story of Pope Leo Village, in person or via Zoom.
